DIPUTACIÓ DE BARCELONA

**Barcelona Provincial Council is
a local government institution**

**It works in cooperation
with city councils**

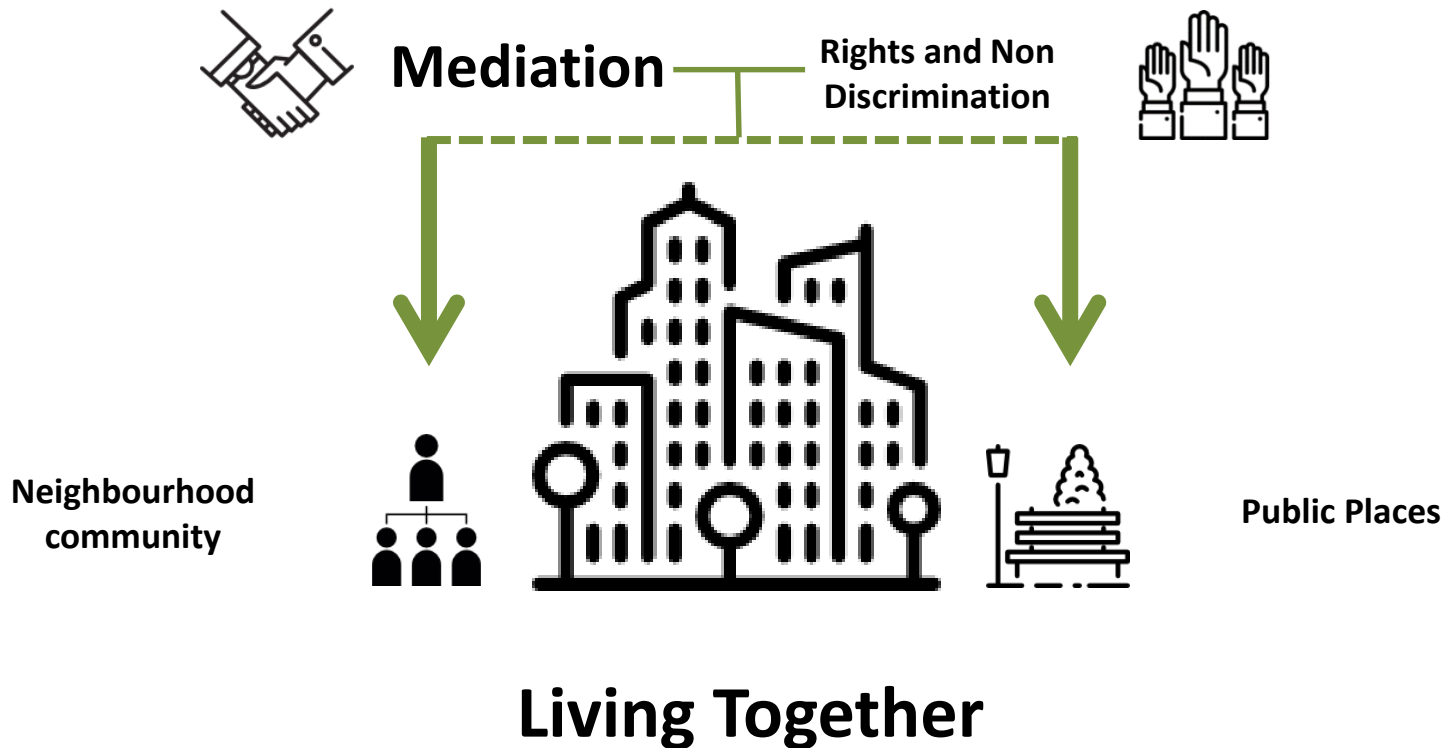

**Scope:
311 municipalities**

Offers to city councils:

- Technical support and advising
- Economical support
- Promotion of information exchange between municipalities
- Technical training for professionals and local governments

The **Living together, Diversity and Citizen Participation Service** promotes actions addressed to support city councils in the development and consolidation of capacities to favour social cohesion, living together and citizens' high quality of life in a context of progressive diversification.
