

SENIOREN INFO

FACHBEREICH SENIOREN

Are there so many possibilities?

Yes, in the districts of Kleefeld, Heideviertel and Groß-Buchholz (Roderbruch)!

And what can I do there?

You can meet new people and do something together, or be creative.

Are there also groups for get-togethers and chatting?

Yes, this and much more!
You can find e. g. volunteers to help you with technical matters, and we also offer visiting services, as well as help with smaller handicraft services.

I will go there and have a look!

There is also free counselling regarding various topics.

A lot of it is free

Open get-togethers for everybody!
