

Evidence Round 2

The inspector has now reviewed the evidence and presents the suspects with the first results. In the meantime, your police officers interview the witnesses.

The following exhibits 2.1 to 2.8 will be distributed among those present and they will introduce the evidence into the discussion.
Alternatively, all exhibits can be laid open for all to see.

EXHIBIT 2.1

Speech by Kevin, *found in Jane's handbag*

- Welcome and thanks
- Start with a little joke on Chocville
- Briefly mention criteria for Fairtrade Town
- Stress personal responsibility! Morality is not just for church on Sundays.
- The world does not end at the town limits.
- Quote Cree prophesy: 'Only when the last tree' etc.
- List options for town and private citizens – especially food, stones
- Thanks to Jane
- Then revelation
- Improvise rest

EXHIBIT 2.2

Quick test analysis of the
chocolate and orange cupcake,
that Kevin ate just before collapsing

Ingredients of the chocolate and orange cupcake:

- Butter
- Sunflower oil
